What it is...

Vaporwave is an almost memetic genre derived from seapunk, bounce house, witch house, or chillwave.

Vaporwave is most known for its surreal cover art and new age philosophy as illustrated in the image below.

Due to this, Vaporwave album covers have been copied in styles such as the below image.

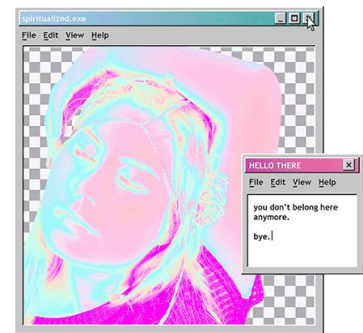

Vaporwave is also heavily influenced by 90's and 80's nostalgia, jazz and elevator music. Vaporwave is also known for its Warhol-esque, anti-consumerist culture art which satirizes . Due to this Vaporwave has been cited as an attack to capitalist culture.

Vaporwave is a surreal art that combines glitchy, anti-capitalist aesthetics and surreal music in a beautiful form known to us as vaporwave.
